KeySource Response to CORONAVIRUS (COVID-19)

Dear Valued Customers,

At KeySource, we continue to actively monitor the Coronavirus (COVID-19) outbreak and are focused on implementing contingency plans to protect our employees and provide uninterrupted service to you and your patients.

Specifically, we are managing the safety of our facility by following recommended cleaning and disinfectant guidelines, increasing on-hand inventory and providing increased and transparent internal and external communication. We encourage you to direct your questions to KeySource Corporate Communications Dept. (800.842.5991) and stay connected while we work together to manage the challenges that may arise.

As a diligent provider to the healthcare community, our top priority remains the safety of our employees, our customers and their patients. With your help, we can continue to be proactive in combatting this outbreak by sharing our resources, expertise and support.

Thank you and be well,

Al Paonessa, III

CEO

Additional Information and Resources for Pharmacies

- *The CDC is providing continuous updates to healthcare providers through the Clinical Outreach and Communication Activity (COCA) at www.emergency.cdc.gov/coca*
- *The American Pharmacists Association offers guidance for pharmacists and the communities they serve. You can read more here: <https://www.pharmacist.com/coronavirus>.*
- *An article from PBA Health, an independently owned pharmacy services organization that provides insights for independent pharmacy owners. See their article here: <https://www.pbahealth.com/coronavirus-what-do-we-know-and-what-can-pharmacies-do/>*
